

50x "Super Zoom"  
Motorized  
Zoom Lens

# BEYOND THE NEXT FRONTIER

## **NEW** "Super Zoom" Motorized 50X Zoom Lens

Introducing the new lineup of Super Zoom motorized zoom lenses designed for long range surveillance applications.

Utilizing Kowa's advanced lens technology to incorporate "3-CAM Design" and XD (eXtra low Dispersion) glass, the Super Zoom motorized zoom lens will pave the way for long range surveillance.

**Optically  $f=1,000\text{mm}$  (without using Extender),  
 $F3.5$  at  $f=20\text{mm}$  Wide end &  $F8.9$  at  $f=1,000\text{mm}$  Tele end.**
